

Late Winter 2012 Schedule of Events

- **THURSDAY EVENING CLASSES*** at For Your K9, Inc., 1975 Cornell Avenue, Melrose Park

Session I: January 5 thru February 23 (*no class January 12*)

Session II: March 1 thru April 12

Class Times*: Beginner - 6:30 to 7:15 pm • Intermediate I - 7:30 to 8:15 pm

- Advanced I - 8:25 to 9:10 pm (Instruction) • Advanced II - 8:25 to 9:10 pm (No Instruction)
- Intermediate II - 9:15 to 10:00 pm

Pre-registration for all our classes is required for non-members and members, as class sizes may be limited and classes are filled on a space-available basis only.

All Guest trainers are subject to class instructors' approval and **their dogs must be familiar with the agility obstacles unique to the UKC Agility program.**

At each class level, all students, including Guest trainers, are usually divided into groups by the class instructor(s). We request that ALL students remain with their group throughout the weekly class.

Guest trainers may only train in classes at their current level or below, unless their participation in a higher level class is acceptable to the instructor(s) of that class. (Example: An Intermediate II student may Guest train in Intermediate I, but not in Advanced class, without the Advanced class instructors' approval.)

Beginner Class Guest training is limited to dog/handler teams who have attended at least one seven-week session of our Beginner Class.

Please contact us if you wish to attend as a Guest Trainer.
